BAK VOL BEESTJES

Kijk goed naar het terrarium. Gebruik een loep om nog beter te kunnen zien. Vind je alle kriebelbeestjes? Tel ze. Kleur telkens een rondje in. Verzamel blaadjes, stokken, stenen en aarde. Doe alles in een doorzichtige bak. Zoek kriebelbeestjes om erin te stoppen en doe er bovenaan een gaas over.

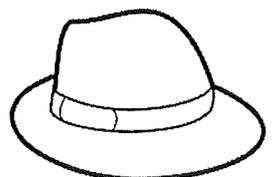

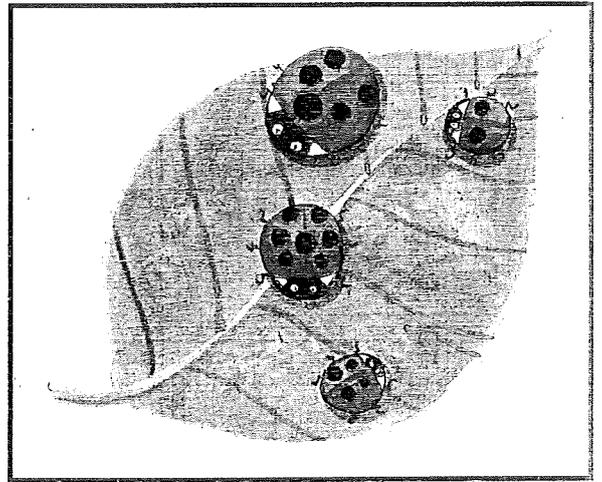

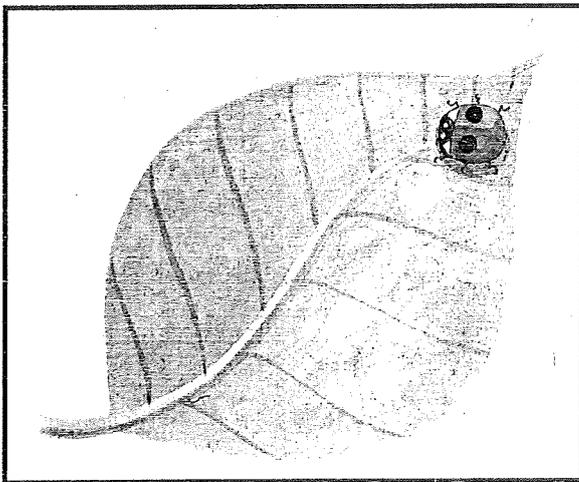

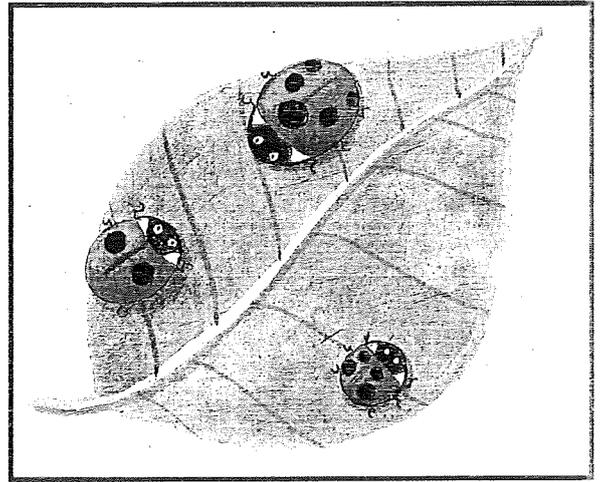

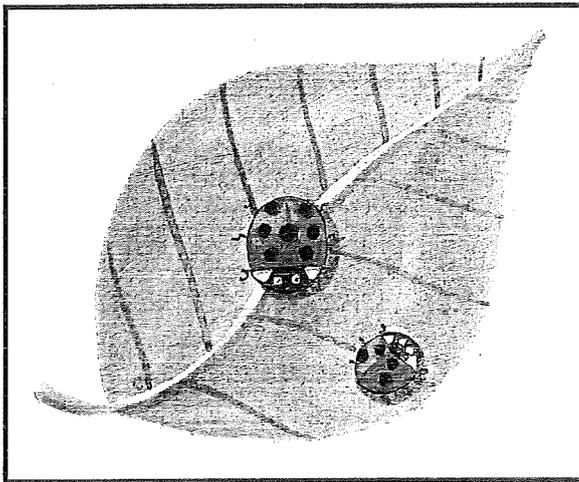

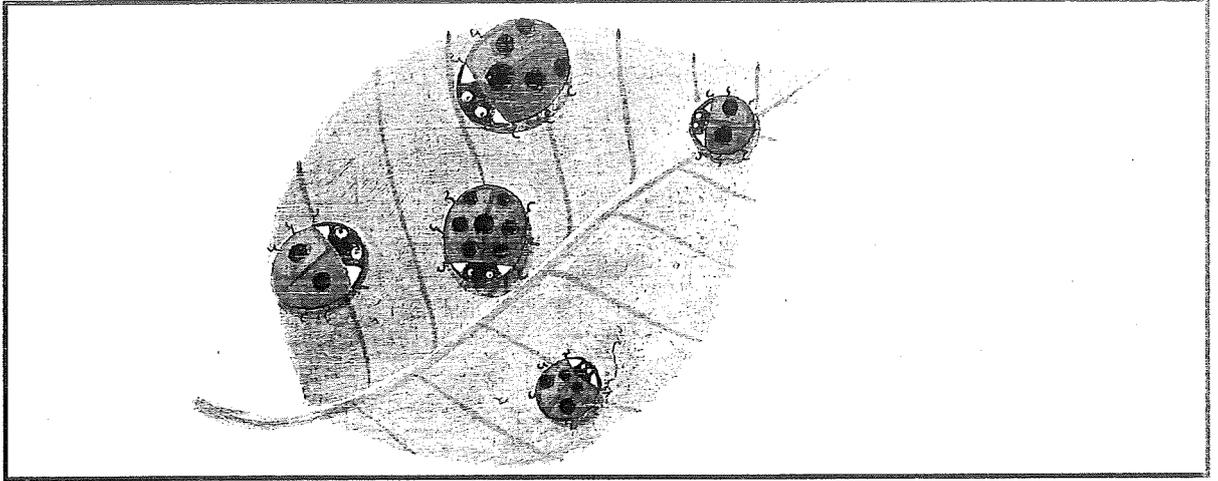

NIVEAU 2

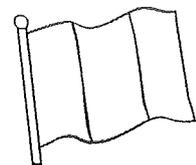

Weggevlogen!

Kijk goed naar elk lieveheersbeestje op het bovenste blad. Op elk blad eronder zijn er een paar weggevlogen. Zet op elk blad een kruisje waar er een lieveheersbeestje weg is.

ik reken, tel en meet

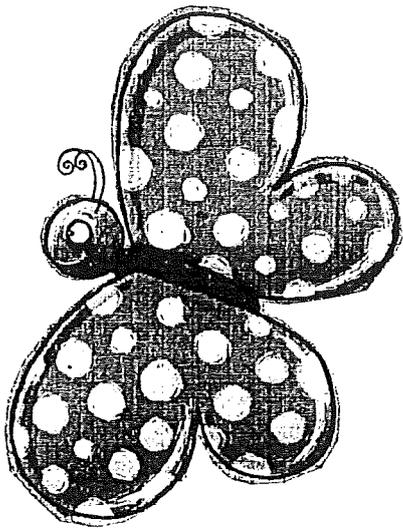

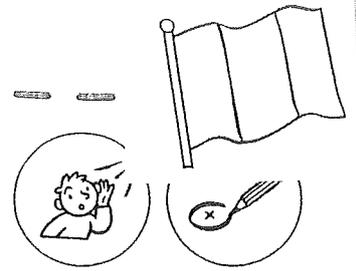

Volg de bewegingsbaan van een insect en ga over de stippenlijn.
Probeer nu zelf de weg van het insect te tekenen.
